For university, school, work or your next trip, the Bobby Soft Backpack is ready! The iconic Bobby anti-theft design with hidden and RFID protected pockets, no front access and hidden zippers is now complemented with a safe zipper puller on the main compartment to keep you belongings even more secure.

The spacious interior is convenient and versatile. In the main compartment, you can easily organize your gear with a padded laptop compartment, notebook pocket, smart small pockets and a keychain clip. The top of the backpack is expandable giving additional space to store clothes, books or anything you need for your everyday use.

This backpack is also equipped with an integrated USB charging port and made from water repellent material making it very functional. Made from recycled materials - reusing 37 wasted plastic bottles and saving 22 L of water on every Bobby Soft Backpack.

A soft backpack to fit every style. Registered design®

BOBBY TECH

● P705.251

The Bobby Tech Anti-Theft Backpack is the ultimate backpack for gadget lovers. This premium version of our Bobby Backpack line will keep you safe, connected and organised by combining the latest technology into great features.

The integrated solar panel on the front of the backpack will make sure that you never run out of power and that you are able to charge directly from the solar energy. Further to that, an integrated wireless charging module will make sure that you can charge your mobile device without the hassle of any cables.

The Tech has adjustable internal dividers as well as an extra middle layer that can be tucked away, which allows you to divide your backpack content in many different ways. The patented fid lock system on the shoulder strap will give you quick and easy access to your phone or bottle/coffee cup (both included).

This model has all these features including of course the original Bobby features of: hidden zippers, RFID protected pockets and cut proof PP board protection. Registered design®

BOBBY BACKPACK TROLLEY

● P705.771

The smartest backpack and trolley bag. Convenient as a trolley and practical as a backpack -- the Bobby backpack trolley is your ideal travel companion on small trips or during the daily commute. Easily transform it from a backpack to a trolley storing the shoulder straps in the back panel and releasing the telescopic drawbar.

When switching to backpack mode, you can hide the handle and wrap the backpack around the wheels, keeping your back clean. The Bobby backpack trolley also keeps you safe and connected with our famous anti-theft design and an integrated USB charging port combined with a TSA lock. Internally, you can find separated compartments for clothes and business with a front quick laptop access pocket that opens at a 30-degree angle and fits up to a 17" laptop

In addition, you also have a quick access bottle pocket, that uses interior space and keeps the overall aspect of your bag flat and a back RFID protected pocket to protect your identity. The Bobby backpack trolley is made from recycled materials and can be taken on board aircrafts as carry-on luggage.

The Elle fashion is not just a fashionable backpack; it also protects you from getting pickpocketed.

With hidden zippers there is no way of getting into the backpack while carrying it. However strategically placed hidden pockets on the back of the backpack will give you, as the user, easy access to smaller items when needed.

The front of the backpack is protected with a PP board inside which will prevent thieves from cutting through the backpack and reflective strips on the front will ensure your night safety.

This backpack will make sure your belongings will stay safe while keeping it fashionable. Registered design®

PROTECTIVE MASK SET

We face challenging times, and in this moment our desire for exploring and freedom is sparking more than ever. Keep your travel spirit strong in a safe way.

XD Design protective masks set - high quality masks and certified filters for continuous and everyday use.

The XD Design protective masks set contains 1 reusable & washable face mask, 5 reusable & cleanable filters and a foldable pouch to store your mask and the backup filters hygienically.

Treated with ViralOff®, a technology that reduces viruses by 99% over 2 hours*, the XD Design mask can be used all day without changing the filter that must be inserted in the mask's middle layer. The unique Hyproof® Nanofibre filters have a high filtering efficiency of 95% towards bacteria & virus keeping you protected all the time you are wearing the mask.

The XD Design protective mask is also designed for extra comfort with adjustable strips for extra comfort around your ears. The three-dimensional chin structure of the mask and the nose bridge is durable for thousands of uses.

This device is not a medical device in the sense of Regulation EU/2017/745 (surgical masks) nor is it personal protective equipment in the sense of Regulation EU/2016/425 (filtering masks type FFP2). *The ViralOff® is a durable and always working. For best performance and sustainability, wash the mask sparingly and only when needed. Wearing this mask constitutes a protective barrier against possible penetration of the virus in the user's mouth and nose area or from a nearby person. It is intended to protect this area against any contact with the hands. Wearing this mask does not exempt you from any social distance or hygiene rules.

Mask up in safety, style and design to protect you and people around you.
XD Design protective mask set, safe for you, safe for all!
Registered design®.

REVIEWS

Love it. I just received this as a birthday gift. Opening it full really helped packing and organizing. It is very comfortable and I am looking forward to using it as my carry on when travelling. Olivia, USA

We kochten een Bobby Urban Lite rugzak en zijn heel tevreden van de slimme opties die voorzien zijn om deze rugzak multi-inzetbaar te maken. Weerbestendig, antidiefstal, afsluitbaar, in volume aanpasbaar, diverse verdoken zakjes, ... De ideale metgezel voor het werk of op reis. Bovendien hebben we kunnen ondervinden dat het bedrijf XD-design klantvriendelijkheid hoog in het vaandel draagt en snel antwoordt op vragen. Een heel tevreden klant en fan dus! S. Mazzaresse, BE

Best backpack! Amazing material! Good in 24h business mode. Perfect for business man for travel e for every day! Niccolò, IT

I was an early backer of the Bobby Bizz bag on Indiegogo, and I have absolutely loved it. I constantly receive compliments for it. I am a bit of a geek who likes organisation, and the amount of dedicated pockets mean I can carry everything I need for work or travel. Marco, GB

Supersnelle levering, professioneel product, mooie kleuren, mijn zoon is een grote fan van jullie. Ikzelf heb de Bobby bizz en ik zou hem nooit meer af willen staan. Misschien is er in de toekomst nog een andere kleur te verkrijgen maar ik ben er nu ook blij. Ingrid, NL

La mochila es espectacular muy buena calidad. Tambien tiene muy poco peso. Y viene muy bien para el ordenador y la tablet, una compra muy buena. Adrian, ES

Le Bobby urban est tout simplement génial ! Le prix est largement justifié par toute ses caractéristiques : je cherchais un sac à dos, ultra polyvalent et que l'on puisse adapter selon beaucoup d'usages divers et variés ! C'est chose faite.

- Plutôt classe avec ou sans le filet, fermé au maximum pour une utilisation urbaine de tous les jours... Courses, Petits trajets en vélo, travail, sorties en ville etc...
 - 100% antivols grâce à la poche arrière et aux cadenas intégrés pour ouvrir le « cœur » du sac à dos, on peut donc aussi l'emmener en concerts et festivals ou tout endroit où il y a un risque de se faire dépouiller
- Mon nouveau sac à dos qui a remplacé mes trois anciens! Salami69, FR

I have been a traveling consultant for 18 years now, having gone through all kinds of bags, backpacks, and cases of every kind and shape. After more than a year with the Bobby Bizz, I can say it is the best one I have ever had. It's the perfect size for airplanes (fits in all overheads and oblique underneath even regional jet seats), and holds up against being taken through the gauntlet of cars/floors/coffee shops/airports/airplanes still looking clean and brand new when I show up to a customer site. Sturdy, well designed, and great looking. Alex, US

El producto es tal lo describen, muy práctico para los que vamos a todas partes con el portátil a cuestas. Además incorpora varios bolsillos muy útiles para los pequeños accesorios que llevamos. La calidad muy buena y el envío rapidísimo. Félix, ES

I love my Bobby Original. It's my favorite backpack so far! It's super comfortable, and the size fits me perfectly – I can carry all my stuff with safety and don't care much about something being stolen. Many thanks to XD Design! Denis, FI

FAN PICS

OUR STORY

This story is not about us, but all about you.
You, the one who is always in motion;

Sometimes, on the way to an exotic place, and other times, just simply commuting;

Sometimes you work at the office, other times you work from home, or on a train, on a plane, or even while sitting in an Uber;

Sometimes you sleep at your house, and sometimes, you don't.

Sometimes you make a trip to your grandparents, and other times, you go and explore the world in your camper.

Whatever you do, wherever you are, you simply never stop moving.
You truly inspire us to design the smartest products;
Products with function and style.

Your story is our story.
Your path is our direction.
